

UPDATE: ERIC VOLZ RELEASED FROM NICARAGUAN CUSTODY, HEADING HOME

Nashville man's ordeal ends in Christmas reunion

Dear Friends,

I just got word from the State Department that Eric Volz has been released from custody and is on an airplane headed home to Nashville. Thanks to the efforts of hundreds of people in Nashville, Washington, Nicaragua and around the world, Eric will be free to spend Christmas with his family. We are all thankful for this holiday reunion.

Have a wonderful season.

Jim
